

I'll Pack It Up

I told you once, I told you twice
I won't take no flack in this life
And what you see is what you get
I work hard for me and you, girl

But, I'll pack it up, I'll pack it up
I'll pack it up, I'll pack it up
And I'm walking away

I told you once, I told you twice
You won't find no slack in my stride
I give my best. I give my all
And I expect the same from you

But, I'll pack it up, I'll pack it up
I'll pack it up, I'll pack it up
And I'm walking away

Since I fell for you,
I gave you everything your heart desired
Ain't it true, Ain't it true, girl?
And unless I've been playing the fool for you
I've been doing my best workin' hard
Not breakin' any rules

I'll pack it up, I'll pack it up
I'll pack it up, I'll pack it up
I'll pack it up, I'll pack it up
I'll pack it up, I'll pack it up

And I'm walking away
