

Si Te Vas

quisiera ser tu todo
quisiera ser tu siempre
quisiera ser tu mundo
quisiera ser perenne

sin mas razón, te alejas de mi vida y el dolor me abraza
sabes bien, tu presencia viste mi alma de felicidad

Pero si te vas mi sol no emanara
pero si te vas la nada quedara
y si su te vas
me burlara el destino
aborreceré al vacío
entre mentira y verdad, existiré, confundido
si te vas...

no pude ver tu rumbo (solo quede)
y me quede desnudo (eres tu)
un corazón vacío (sueños de ayer)
sueños de ayer, perdidos

deambulare entre las calles mientras la soledad me abraza
y sabes bien, tu presencia viste mi alma te necesito

Pero si te vas mi sol no emanara
pero si te vas la nada quedara
y si tu te vas
me burlara el destino
aborreceré al vacío
entre mentira y verdad, existiré, confundido
si te vas...

Pero si te vas mi sol no emanara
pero si te vas la nada quedara
y si su te vas
me burlara el destino
aborreceré al vacío
entre mentira y verdad, existiré, confundido
si te vas...

English translation

I want to be your everything
I want to be your always
I wanted to be your world
I would be perennial
And without reason, you distance yourself from my life the pain embraces me
You know well your presence clothed my soul with happiness

If you leave, my sun won't won't ever rise
If you go away, nothing is all that will remain
And If you go, destiny will mock me, emptiness will consume me
Somewhere between truth and lies I will exist
Confused and lost,.. if you go.

I could not see your direction (alone I remained)
And I was left as if naked (it's you)
An empty heart remains (Dreams of yesterday)
Dreams of yesterday, lost

wandering among the streets as loneliness embraces me
and you know well, your presence clothed my soul
I need you

If you leave, my sun won't won't ever rise
If you go away, nothing is all that will remain
And If you go, destiny will mock me, emptiness will consume me
Somewhere between truth and lies I will exist
Confused and lost,.. if you go.

If you leave, my sun won't won't ever rise
If you go away, nothing is all that will remain
And If you go, destiny will mock me, emptiness will consume me
Somewhere between truth and lies I will exist
Confused and lost,.. if you go.
